

Graduate ECE (GREECE) at UT

Fall 2022 – Spring 2023 Corporate Packet

Dear Potential Corporate Partner,

The Graduate ECE (GREECE) student organization at The University of Texas at Austin would sincerely like to invite you to join us in a successful corporate partnership.

The mission of Graduate ECE (GREECE) is to provide a common platform for UT Graduate ECE students from all tracks and labs to interact with one another, the department, and companies, thereby promoting social, academic, and professional development. GREECE serves to foster a sense of community among ECE graduate students and facilitate outreach to the department and industry at large.

Please review the partnership details and contact us directly via email with confirmation or questions. We look forward to working together!

Thanks & Hook 'Em,

Shruti Dutta and Gillian Yost

Graduate ECE Overview

- **Location:** Events will be hosted in the Engineering Education and Research Center (EER), home of Electrical and Computer Engineering. Starting this year, we will be hosting events at MRC, the research center for materials and electronic devices.
- **Publicity:** Advertised to more than **600 skilled graduate students** in a top-10 ranked ECE program. This includes large poster(s) in the lobby, ECE digital screen promotion, email to all ECE students, and a Facebook event page.
- **Catering:** Events catering is not included and is the responsibility of the company to select, order, and pay.
- **Reservations:** Reservations for the academic year 2022-2023 are open.
- **Staff:** The events are staffed and co-coordinated by GREECE board members, but are open to all.
- **Academic Tracks:** These are areas of interest within ECE.
 1. Architecture, Computer Systems, and Embedded Systems (ACSES)
 2. bioECE
 3. Decision, Information, and Communication Engineering (DICE)
 4. Electromagnetics & Acoustics
 5. Energy Systems
 6. Integrated Circuits & Systems
 7. Plasma/Quantum Electronics and Optics
 8. Software Engineering and Systems
 9. Solid-State Electronics

Types of Events

++ We are prepared to host virtual engagement opportunities in place of in-person engagements too. Our event pricing structure will remain the same. We look forward to working with your team to connect you with our members. All ECE students are invited to attend Socials, Tech Talks, and workshops.

Event Type	Required Contribution	Event Details
Workshop/Hack Night	\$1000*†	<ul style="list-style-type: none"> Customizable hands-on teaching of software or hardware tools; team challenges and competitions. Can focus on professional skills development
Grad Extravaganza	\$1000†	<ul style="list-style-type: none"> Monthly graduate student social, the first Thursday of each month school is in session December, March, and May events are held at the Texas Union bowling alley
Tech Talk	\$1000*†	<ul style="list-style-type: none"> Opportunity to showcase how potential new hires would impact your work in this area Focus on a relevant technology to company's work
Roundtable Networking	\$750†	<ul style="list-style-type: none"> Target a small group of students of size 15-20 and host a roundtable networking with questions asked by a host to two guest speakers and then open the Q&A session to the students listening to the conversation This could be about the company's HR or a technical team attracting a set of students and so on
Social	\$750†	<ul style="list-style-type: none"> Network with the students in a casual environment Play games; provide study breaks during finals week Arrange for students to go off-campus to a movie, bowling alley, or visit your company for a mixer Presentations are not appropriate on campus (that would be categorized as a tech talk)
Coffee social	\$750†	<ul style="list-style-type: none"> This event will help in publicizing the company during a mid-week social to a wide audience Network with students during mid-week coffee sessions
TGIF	\$750†	<ul style="list-style-type: none"> Friday evening, off-campus event Socialize and talk about cool company products and current technology
